

YOU

and God

You are...

... within *its* reach.

But you don't possess *it*! As long as it remains like that, you are lost! *It* comes to you again and again, but you push *it* away – in every phase of your life...

You are...

...too young

Your life is a constant chase for satisfaction.
You are trying your best to find what you think is happiness.

Your life movie is on and you desperately try to find your role in it – but you never know if you will ever find it.

On the outside it seems as if you have everything under control.

But inside you it screams...

You are...

...too busy

You struggle to achieve your goals. Sometimes things go well and you can keep up with the others. But often you are dissatisfied. The merry-go-round of life continues to spin mercilessly – without regard for your ideas. When you look at your life, you ask yourself, “Is this really all there is?” But inside you know:

You are missing something...

You are...

...too old

You have experienced life in all its facets. You have realised that human beings are not the noble creatures they like to think they are. Life has left its mark on you. Your strength is slowly fading. But you have never found what makes life worth living – you feel:

Not for much longer, then it's over!

Too late...

Then the time to accept **it** is over. But today God still directs **His greatest offer** to all people – also to you! You need **it**. Why??? Because you are a sinner! “Me? A sinner?” – “Yes, you!” God said:

“For all have sinned and fall short of the glory of God.” *ROMANS 3:23*

“Sin? Ridiculous! I may not be flawless, but I am certainly not a bad person!” That is your view of things. But God sees it differently. He knows your whole life and has not overlooked any sin, no matter how “small”. It is important to know: God calls even bad thoughts sin.

And sin separates you from God! Here in your life and also afterwards.

God is just. But because He loves you infinitely, He makes you this ingenious **offer**:

Through His Son Jesus Christ, He has created the only way for you to come to God. He wants to have a living relationship with you personally. That – and only that – gives your life meaning.

Actually, it should have been you. But because He loves you, He bore the punishment and gave His life for you. God has acknowledged this deed and therefore has raised Him from death. His grave is empty. Jesus is alive! God is waiting for you. Come to Him. Confess your sins to Him so that He can set you free. He said:

“For God so loved the world that He gave His only begotten Son, that whoever believes in Him should not perish but have everlasting life.”

JOHN 3:16

“If we confess our sins, He is faithful and just to forgive us our sins and to cleanse us from all unrighteousness.”

1 JOHN 1:9

Over 2,000 years ago, Jesus Christ came to earth. As a human being. Without sin. Yet hated, despised and finally condemned to death on the cross.

Open your heart to Him. You will never regret it! He gives you inner peace, security and true joy.

It's up to you!

Take Him up on His offer.

If you turn ***it*** down now, it might have been your last chance!

**“Seek the Lord while He may be found!... Return to the Lord,
... for He will abundantly pardon.”** ACCORDING TO ISAIAH 55:6,7
