

DO YOU KNOW
JESUS
CHRIST?

WHO IS JESUS CHRIST?

Is Jesus a founder of religion?

A moral preacher?

Or someone who improves the world?

Simply a good person?

The Bible tells us His story, how He came into the world: Jesus was born in Bethlehem, a town in Israel. He grew up in Nazareth and worked as a carpenter.

When He was about 30 years old, He began to preach in Israel. He showed the people that they were all guilty before God because of their sins and how they could reconcile with Him.

Jesus Christ accompanied His preaching with glorious miracles: He healed the sick, freed people from occult bonds and raised the dead. Through all these things, He confirmed that He was the **Son of God** and had come to mankind as **Savior**.

Jesus never committed any sin, never done anything bad. Nevertheless, most people rejected Him. Their resistance went so far that they have nailed Him to a cross. There Jesus **died** willingly for others. After three days He **rose** and 40 days later He ascended to heaven. There He lives now as a human being and at the same time He is the eternal Son of God.

His death on the cross and His resurrection are the basis on which lost people can get saved!

IS JESUS CHRIST NOT UNIQUE?
